## 10th Annual Kendallville Home & Garden Show

The **Home & Garden Show** at the **Kendallville Event Center** Saturday & Sunday **March 15th & 16th, 2008** was a huge success. Lots of people welcomed back Spring enjoying exhibits of everything from boats & lawn tractors to water softeners and home improvement businesses. The presentations by the master gardeners were informational and the karate demonstrations were entertaining. WAWK am1140 The Hawk was there both days, broadcasting live.

Exhibiting her people-greeting skills, WAWK's **Kelly Howard** takes tickets at the door.

The Hawk's on-air staff was on hand to interview Home & Garden Show exhibitors as well as attendees, live on the air. Here, am1140 WAWK's **Mike Shultz** interviews Kendallville Police **Chief Rob Wiley**.

After he emerged from the Creative Comedy Company's cocoon, WAWK's **Stevie the Clown** became **Stevie the Butterfly**!
