
Celebrate Main Street 2007

Saturday, July 28th, 2007 was "**Celebrate Main Street**" in downtown Kendallville, Indiana. WAWK "The Hawk" staff members joined Scott Pawl as he broadcast live from historic downtown Kendallville. We had more cars for the cruise-in than room for them, having to expand to several side streets. The Hula-Hoop contest with music from The Fords is always a popular event.

The **Hawkmobile** is always prominently parked at all remote broadcasts, seen here in downtown Kendallville during **Celebrate Main Street**.

WAWK's Mike Shultz, Main Street Business Association President Don Gura and The Hawk's Kelly Howard prepare to judge the hula hoop contest.
